Index to Gleanings in Bee Culture
Volume 98, 1970

General

A

ABF Convention 730
Act to amend conservation law 300
African bee affects Argentina beekeeping 240
Agency's policy stings beekeepers 28
Agriculture, angels of 295
AHP Convention 733
Airlifting bees 725
Alfalfa honey, the quest for it in Calif. 600
American Mt. Ash a pollen source 623
Angels of agriculture 295
Antibiotic treatments that last longer 536
Antibiotics and bees 19
Apiculture, who's who in 288
Appointee, new, E. H. Erickson, Jr. 747
advised 739
Appreciative week 430
Argentina beekeeping affected by African bee 240
Associations, local beekeepers 559
Aviation, more on, and A. I. Root 237

B

Baker, Louis P., retires ...427
Bear problem, New York tackles 301
Bee advised 739
bee tree in Western Pa. 656
behavior in two-queen hives 616
blower, all electric 210
colony, growth of a package 396
man at your service ...141
project high school ...399
queen 535
supplies, standard, use 405
supplies, the lady sells to or not to - no longer a question 659
topics, consider a variety of 422
trailer, permanent 528
Beekeeper, beginner, how about the 22
benefits by basic bee research 414
husband, my 731
I married a 166
my Dad's a 342
sideline, and how he grew 748
was born, a 595
what is a 410
Beekeepers, associations, local 559
benefit from Texas market program 468
booth at county fair ..686
Canadian, move west ..220
motto - be prepared ...431
seek limits on tourists 219
stung by agency's policy 28
tell about dangers of DDT substitutes 31
when they grow old 155
Beekeeping Argentina, affected by African bee 240
from various angles, how about looking at 742
in central America 682, 750
Polish, some observations on 82
problems, some present day 18
the future of 408
these perilous times 85
Bees, airlifting 725
also had a white Xmas 596
and antibiotics 19
and old yaller 92
and spring season 265
beetle moves them 653
behavior in glass-covered runways 664
bulldozed 364
bumble, I tried 434
comb honey supers liked by 112
effect of smoke on 742
enemies of, in So. Africa 100
evolution of 428
feeding, helps pollination 362
fifty-five years with the 48, 278
in towns and cities 209
introduction of queen 88
it's for the 113
leaf cutter, new hives for 363
on pallets 280
package, questionnaire on 617
raised on the Kanawha river 560
seek stimulants, do they? 429
swarmed, the day they 329
techniques used to move them 588
there's always a happening when you keep 93
why keep them? ..304, 745
wild, importance of ...108
win 426
Bee Talk
bee books and Allen Latham 738
dealing with swarms ...226
honey is where you find it 546
Inventiveness of beekeepers 420
packing extracted honey 674
putting swarms to use 294
removing honey from tank 482
stings 610
swarm prevention methods 354
swarming 163
Beeswax 47
Beetle moves bees 653
Behavior of honeybees in glass-covered runways 654
Book Review—To be a bee 597
Brace comb nuisance ...282
Breakfast week, honey for 158

C

Caron, Dewey M. fills Md. apicul. position 541
Chlorine Dioxide for EFB 358
Christmas, bees also had a white 596
Chronology of the Italian honeybee fever 720
Colony, fresh air 217
package bee growth of 396
to save a 429
Comb honey, producing ..145
separators for 694
Conference, pollination 9th 716
Conservation law, act to amend 300
Consumer's favorite 713
Cucumbers need the honeybee 585
Convention, ABF 730
AHP 733

D

DDT substitutes, dangers of 30
Decoy, empty hive lures bees—an experience .236
Demareeing, the method and its author 614
Die press for Koover spacers 214
Dollars from heaven in California 498
Drifting, how about? 550
Drone, how about the? ..230
Drones, Dec., deserve different diagnosis ...80

E

EAS returns to Rhode Is. 603
Enemies of bees in So. Africa 100
Enemy who became a friend (skunk) 467
Erickson, Erick H. Jr., joins staff at Apic. Res. Branch, USDA 747
Essence, missing the 140
Eucalyptus to the rescue 466
Experiences, strange 733
Extracting honey—that's what happened to me 171
Extractor, wall mount your 464

F

Fair, county, beekeeper's booth at the 686
science 471
Farrar, Clayton L. 752
Folk medicine wins again 719
Food supplies for overwintering honeybees 715
Foulbrood, European, a growing menace 153
Frame, staple-spaced 14
wiring jig 538
Fresh air colony 217
Friendship, a honey of a 406
Fundamentals For All beekeeping—a continual educational challenge 418
bees starve with honey in the hive 356
born beekeepers 162

DDT goes—bad news for beekeepers 612
get big or get out 548
history made—history forgotten 676
honey vs altered honey 740
industriousness is a swarm of bees 484
pollen substitute 228
professionalism should not show through 98
swarm control not part of colony management 291
you and your county agent 34

G

Gismo, handy little 239
Glass-covered runways, behavior of bees in ..664
Gleanings' Mail Box .....6, ..70, 134, 292, 326, 390, ..454, 518, 582, 646, 710
Guilford, G. C., Fla. inspector retires 625
Gypsy moth—It won't happen here 111

H

Happiness can be swinging into new honey promotion 350
High school bee project 399
Hive, cracker, a toggle-action 142
from inside the 669
stand, the WATDIT 521
Hives, new, for leaf cutter bees 363
two-queen, behavior in 616
with scriptures keep vandals away 470
Honey, a delicious sweetener 526
alfalfa, the quest for it in Calif. 600
color, no indicator of taste 87
comb, producing 145
consumption, a solution to natural 218
for breakfast week 158
granulated in comb, what to do with 660
he loves it 27
how can you sell more? 746
in Turkey with 300% profit 618
is sweetest 157
let's promote it 547
let's sell it like it is ...532
market as well as produce it 598
nature's miracle product 17
of a friendship 406
packer, small, a market for the 393
promotion hit, N. J. scores 20
publicity, flying high with 498
section comb, separators for 694
sugar, a new product? ..86
W. Va. land of milk and 46
will sell 212
wine (mead) making 38
Honeybee, behavior during eclipse 271
cucumbers need the ..585
fever, chronology of the Italian 720
how about the worker? 146
observations during eclipse 302
safeguarding the 652
Honeybees, can they identify their own qn. and co-workers? 743
in the collection of nectar, competitors of ..213
more points for 167
removing from buildings 9
Honeys, famous, of the world 221
Honey plants
Canada thistle 35
pink mint 36
white Spanish needles ..36
witch hazel 35
Honey Queens
American-Nodji Olson Warren, Wis. 480-481, 609
Mich.-Barbara Bell, East Lansing 535
Minn.-Barbara Jennen Fergus Falls, ..545, 608
Ohio-Patty Weiher, Vandalia 545
Oregon-Sandra Schnepp, Albany 544
Hornet enigma 751

I

Idea, here's a better 749
Ignorance induces insolvency 688
Inspector, Fla., retires ..625
Inspiration, a little 621
International Apicultural Congress, history of 44
Introduction of queen bees 88
It's An Idea
detergent jug for cold water 659
frogs and bees 525
hiving bees with a stew pan 668
how to remove attendant workers when requeening 438
many uses for masking tape 491
moving bees in trash cart 152
top ventilation 103
